

Homework #1
Math 455, Spring 2026
Due Wednesday, January 28

This assignment is just to make sure everyone is familiar with Gradescope. In case you are wondering, yes, this counts towards your grade.

Create and upload a pdf of two pages. Put problem 1 on page 1 and problem 2 on page 2. You should “mark” the pdf file so that Gradescope knows which page each problem is on.

Problem 1: On page 1, write the sentence, “This is homework one.”

Problem 2: On page 2, write the sentence, “I can mark my pdf files in Gradescope.”

To learn more about “marking” and other features of Gradescope, you can consult the online help.
